A Letter, Unfinished Business Only in the Sense It Was Never Sent

Found: crew quarters, DC 20. A finished letter, never sent.

Dearest Mother,

Another late crossing, I'm losing count how many in a row now. Toller says it's nothing, just a slow season, but nobody who's run this route longer than me looks like they believe him either. The lane feels thinner than it used to, less to it, somehow, though I couldn't tell you what I mean by that if you asked.

Don't worry, we're all fine and well fed, Dorram keeps us honest on that front if nothing else.

I'll write again once we're through to port.

All my love,

Fen
