

Charter Window: Postings

Work available to registered carriers · apply within · mind the carrier rating on each bill · the Window is not responsible for what the void does to you

Posting BR-1187 · Verge Resupply

The Cold Run

CARRIAGE · PERISHABLE & MEDICAL

PAY	DAYS	TONS
1,400	~14	6

ROUTE

Bral → Hallow's Rest (Verge), return

A terminator mining colony, proud and nearly out of everything. Their own supply route stopped working. Part-payment likely in ore.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~770 gp** (1,400 - 600 - 30)

Posting BR-1216 · Passage & Effects

Ashfall Passage

CARRIAGE · ONE FAMILY, ONE HOMECOMING

PAY	DAYS	TONS
900	~13	2

ROUTE

Bral → Ashfall (drift, unlisted)

Carry a family home to the drift their line began on, for the gathering they hold once a generation. Two carriers have declined it. Ashfall is off the current charts; the way there must be read, not calculated.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~270 gp** (900 - 600 - 30)

Posting BR-1220 · Live Cargo

Best in Show

CARRIAGE · ONE PRIZE ANIMAL, LIVE

PAY	DAYS	TONS
1,200	~9	4

ROUTE

Bral → the Bral Reach Exhibition, return

A giff colonel's champion animal, to be delivered alive and immaculate. Feeding schedule attached. Temperament: "spirited." The colonel will inspect it personally on arrival.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~570 gp** (1,200 - 600 - 30)

Posting BR-1192 · Bulk Haul

The Rock and Back

CARRIAGE · BULK GRAIN

PAY	DAYS	TONS
800	~10	12

ROUTE

Bral → Chain waystation, return

Genuinely routine. No complication. Someone has to move the grain, and it may as well be a crew that needs the entry.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~170 gp** (800 - 600 - 30)

Posting BR-1205 · Sealed Freight

Sealed and Sworn

CARRIAGE · LOCKED CASE, NO QUESTIONS

PAY	DAYS	TONS
1,800	~12	2

ROUTE

Bral → a Sallow Chain address

A house wants a locked case moved and no one asking after it. It is legal. It is boring. A Route Warden inspection at the midpoint will cost four hours you may not have.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~1,170 gp** (1,800 – 600 – 30)

Posting BR-1211 · Passenger

Passenger Work

PASSAGE · ONE SURVEYOR & INSTRUMENTS

PAY	DAYS	TONS
900	~16	1

ROUTE

Bral → the Windward Edge

Carry a Delverane surveyor to the frontier. She is thirty-one, relentlessly curious, and asks the kind of questions about the currents nobody has asked before.

RATING: OPEN TO ALL CARRIERS

Clear after costs: **~270 gp** (900 – 600 – 30)

Posting BR-1198 · Salvage

Salvage Rights

RECOVERY · TOLLMARCH WRECK

PAY	DAYS	TONS
4,200	~34	≤20

ROUTE

Bral → the Tollmarch

Recover what is recoverable from a wreck in contested space. House Tethyn asserts a salvage claim that is legally sound and morally absent. Expect to be met.

RATING: BONDED CREWS · MIN. STANDING RANK 250

Clear after costs: **~3,570 gp** (4,200 – 600 – 30)

Posting BR-1174 · Armed Escort

Escort

ESCORT · TWO HAULERS, HAZARD ROUTE

PAY	DAYS	TONS
6,000	~38	0

ROUTE

Bral → the Tollmarch, return

Shepherd two unarmed haulers through the chokepoint. The thing that hits shipping out there boards with grappling jaws and does not stop for a warning shot.

RATING: HAZARD-RATED · ARMED ESCORT RECORD REQUIRED

Clear after costs: **~5,370 gp** (6,000 – 600 – 30)

Operating cost 600 gp · berth 30 gp · deducted per voyage · hull repairs 20 gp per point · postings above a carrier's standing may be applied for and will be refused · see the Deputy Registrar to file, and use the correct form
