Jettison Log, Quiet Verge

Found: cargo hold. A controlled, methodical lightening, not a panic dump.

Day 1 -- 40 crates dried stores released, 10 crates retained (essential)

Day 1 -- 2 casks water retained

Day 2 -- cargo manifest items 14-30 released, nonessential trade goods

Day 2 -- spare rigging retained

Day 3 -- remaining nonessential cargo released per Captain's order

Final tally: hold lightened by roughly eleven hundred pounds.
