Helm Logbook -- I. Marrow

Found: bridge, DC 13/15/18.

Week 6 -- Crossing ran four hours long again. Charts say it shouldn't.

Week 7 -- Fewer lights in the water tonight. Maybe just overcast.

Week 8 -- Six hours long now. I don't like how quiet it's gotten out there.

(final entry, mid-line)

Position holds. Heading holds. We are not mo--
